

**GOVERNMENT OF ARUNACHAL PRADESH**  
**DEPARTMENT OF INFORMATION TECHNOLOGY & COMMUNICATION**  
CIVIL SECRETARIAT, DIGITAL CELL, BLOCK NO 01. FLOOR N 01, ROOM NO.107

Annexure-(B)

**PROCESS OF TO BE FOLLOWED DURING THE CHECK GATE by Police Personal**

The gates where e-ILP will be verified will be provided with an android based mobile App with a facility to read QR /BAR Code. The encrypted QR/BAR code present in the e-ILP contains all the valid information regarding visitor details.

Using this android based mobile App Police personals at the gate can check their permits whether the visitor details are valid or not?

**How to verify e-ILP**

1. Use any device which is QR/BAR code scanner mobile camera or QR/BAR Code scanner
2. Take a slip of visitor the e-ILP.
3. Open the apps QR scanner.
4. The visitor information will appear e.g. Photo, Name, Address, Phone, Contact Details, etc.
5. Scanner Apps will display within a second along with visitor e-ILP accurate as per BAR/QR Code information.
6. If it is appearing as per the e-ILP printed copy information match with scanned QR/BAR Code; then you may allow to enter.
7. If it is mismatch from e-ILP printed copy with QR/BAR Code scanned information, then you may not allow to enter.

End of Documents.
