No. DITC/eILP/Server-Maintenance/2025

Dated Itanagar, the 16th October, 2025

OFFICE NOTICE

It is hereby informed that the **eILP (electronic Inner Line Permit) Application Production Server** will remain **under scheduled maintenance for the entire day on 18th October 2025 (Saturday)** to undertake **critical system upgrades and performance enhancements** as recommended by the **STQC/Vulnerability Assessment (VA) audit**. The following activities will be carried out during this maintenance:

1. **Ubuntu Operating System upgrade** (as per STQC VA findings); and
2. **Expansion of production server storage capacity.**

During this period, **all eILP services** — including portal login, Aadhaar authentication/eKYC, application submission, payment, and permit download/print — **will remain temporarily unavailable**. Services will be **restored upon successful completion and validation** of the maintenance process.

The **eILP Technical Support Team**, in coordination with **NIC (NDC Bhubaneswar)** and the **Arunachal Pradesh State Data Centre (SDC)**, shall carry out the above activities and ensure completion of the maintenance work **within the stipulated timeframe on 18th October 2025**. All necessary precautions, data backups, and post-maintenance validations shall be undertaken before restoration of live services.

A public maintenance notice will be displayed on the eILP portal homepage prior to the shutdown. **NIC (NDC Bhubaneswar)** and **Arunachal Pradesh SDC** will provide the required technical coordination and **Disaster Recovery (DR) support** during the activity.

All concerned departments, district offices, and citizens are requested to take note of the scheduled downtime. This notice may be **circulated widely for public awareness and necessary action**.
